PRESENTER TITLE: Zoning Administrator

AGENDA ITEM:

To receive direction from the Town Council for the advertisement of the Planning Commission vacancy

BACKGROUND / SUMMARY:

In the Council's last meeting, two applicants were appointed to the Planning Commission. Upon further review, staff found that one of the appointees did not live within the Town boundaries. Staff is requesting direction from the Council on how they would like to most effectively advertize this vacancy and future vacancies. The traditional method of advertizing in the newspaper is expensive and has proven to be fruitless. Other methods may be more cost effective and provide better results. The Council could consider posting vacancies on Face book, LinkedIn, Town website, outside bulletin board, window of the front desk and local library. The Town could also send an email blast to the DBA or other local distribution list.
